There are lots of other local competition coming up... Including our own!!

Please support our other local clubs... AND US!!

(Zoe normally emails out the entry forms that she receives... and ours will be on the website)

More sad news I'm afraid...

Dot Twiner, Roy's wife, passed away on the 28th of December.

Although not an archer herself, she fully supported the club at all of our events, often as Lady Paramount, always with cakes.

Roy and Dot.... Always together

Is there any news that I should include..??
PLEASE let me know !!
If I don't know about it... It can't be included!
