

September 2018 Newsletter

Welcome to the September 2018 issue of the newsletter...

A slightly smaller newsletter this month... Mainly to make sure that you all know about the club outdoor championship.....

The Fox Outdoor Club Championship....

This will take place on Sunday the 30th of September.

A different format to all of the other competitions...

We shoot at four different sized targets, 40cms, 60cms, 80cms and 122cms.

2 dozen arrows at each.

Starting with the smallest target.

All targets are at 30 metres.

Lots of prizes... Do please try and come... It really is a fun day shooting..!!

Medals won by Steve Purkiss at the West Kent Archery Association 2 way Hereford competition... 12 dozen arrows twice! Well done Steve..!!

Competition News...

Not a lot to report this time... everyone must have been on holiday...

BUT...

The Leaves Green Ind Coope team shoot was contested but the usual suspects... John Hare, Michael Hare and Molly Tyrrell were attacked by a low flying Lancaster... The Biggen Hill Air Show was on at the same time...

Lets see if we can get a recurve, barebow and longbow team for next year...

Its that man again...

Steve Purkiss won this magnificent trophy for scoring the first inner gold at 100 yards at the Royal Toxopilite Society shoot on the 15th of September.

Again .. Well done Steve!!

And...

Michael Hare's WA Blue Star award for 1200 has finally turned up!

Well Done Michael!

MKL News...

On the 16th of September... MKL at home vs Ferryfield Archers...

Our scoring team of: Summer Hexter, Julie Andrews, Cyril Reed, and Martin Hill scored 6051, against 5558 for FerryField... a really good win... Well done to you all!

That is now the end of the league shoots for this year... We just await the final placings.

Many thanks to all of those who travelled, and took part.

Just a reminder...

Saturday 27th October is the last outdoor shooting day.

INDOOR SHOOTING starts on Sunday 28th October, at West Heath School, Sevenoaks.
