

Hello All!!

I'm either a bit late with October, or a bit early with November.... But I thought that I would wait for the AGM to occur before doing this issue....

Anyway... The News ...

In (roughly)chronological order...

On the 1st of October, we had a major celebration... Molly Tyrrell turned 18..!! There was a large party in the pavilion at St Michael's School. The photo shows Molly cutting the cake...

Watch out adult county records... Before the birthday, Molly had aquired 5 Kent county junior records for compound... and she has only recently started shooting it! She has also recently been awarded a six gold end badge...

The Kent Police Archery Club competition was on the 30th of September... This year they decided to not give individual awards, but instead they decided to make the shoot a team event, where they added up all the scores from every member from each club. Despite Fox only having 3 people at this shoot, they came 3rd against other clubs that had teams of 6 to 9 people.

Well done to John, Molly and Michael..!!

Black WA Target Compound      Blue WA Target Compound  
Congratulations to John and Michael Hare who have received Black (John) and Blue (Michael) WA Target Compound badges...

And more .... Congratulations to Martin Hill for achieving his 3rd class classification.

## The Fox Archers AGM...

This was held at St Michael's pavilion on the 28th of October...

There were reports from the club officers highlighting the achievements during the year, all of which will be in the minutes... But to pick up on a few...

1) Although other things go up... the club fees have stayed the same!!

2) The outdoor range has been passed as satisfactory...

3) We have regained Clubmark accreditation, the only archery club in Kent to have it.

4) There were 17 Handicap improvements during the year, 42 new outdoor club records, and 12 new indoor club records. (Well done to all involved!)

5) Finances are in good health.

6) Coaching courses get a good satisfaction rating from those attending, and a lot join the club.

7) Election of Club Committee...

The following were elected...

Secretary...	Zoe Tyrrell
Treasurer...	Chris Bodle
Records Officer...	Martin Hill
Child Protection Officer...	Zoe Tyrrell
Club Captain...	Derek Hexter

**As** a result of concerns raised at the AGM, an extra paragraph has been added to the Code of Conduct pages...

"It is the responsibility of parents / guardians to ensure that any accompanying visitors remain behind the shooting line at all times and do not distract members who are shooting.

Non-members are not covered by our insurance and members will be personally liable for any damage caused or injury sustained."

---

**Just** as a reminder to all members, **winter season** has begun and our shooting availability is as follows:  
Saturday - from 1pm at St Michael's School.  
Sunday - 9.30am - 12.30pm at West Heath School.  
We hope to access the hall at 9.15 so that shooting can commence promptly at 9.30. Parking is on the right hand side of the driveway.

**Please remember** that shooting at St Michael's is **weather and field condition dependent**. Rolling straw bosses on a muddy ground will damage club equipment, wet straw will not dry in cold containers.

**Also** as a reminder for our newer members, no archer can shoot alone. Please make sure that there are two senior members present at a minimum and that all warning signs are erected before you commence shooting.

The new combination for both locks has been circulated.

**There is no Wednesday evening shooting until spring.**
