Very Well Done to **Anya Krishnamurti** for getting her Fita Blue Arrow Award...

### The Fox Archers Outdoor Club Championship...

This took place on the 30th September, and started off as a really pleasant day... which got colder as the day went on!

Sixteen brave souls started.. but only 14 finished, two having to leave early.

## Some Movements....

Those who come down to the field regularly will notice a little bit of a change...

The old containers have gone!!

We managed to take advantage of the good weather on Monday and Tuesday this week (7th and 8th of October), a very good driver, and some help from Simon and Peter, the groundstaff to lift and remove the old containers...

Just a bit of rubbish to get rid of now...

That's certainly a weight off our minds....!!

Going...

Going...

**GONE!!!**

## MKL News...
